Mr. Meindl

An abstract geometric design featuring a large, bold black line that forms a wide 'V' shape, opening towards the top left. A smaller, similar shape is positioned above the main 'V'. The word 'Administration' is printed in a white, sans-serif font within a rectangular area filled with a fine halftone dot pattern. This rectangular area is itself enclosed by a thick black border that follows the contours of the 'V' shape.

An abstract geometric design on a light cream background. A thick black line enters from the top left, crosses the page, and exits at the bottom. Another thick black line enters from the left, crosses the first line, and extends horizontally across the top right. A third thick black line enters from the left, crosses the first line, and extends diagonally down towards the bottom right. These lines intersect to form a large, irregular, shaded area. The shading is a fine halftone pattern. Inside this shaded area, the word "Seniors" is written in a white, stylized, cursive-like font. Above the main shaded area, there is a smaller, trapezoidal shape, also filled with the same halftone pattern, but it is not outlined by the thick black lines.
